

## LADOKE AKINTOLA UNIVERSITY OF TECHNOLOGY, OGBOMOSO ADMISSIONS AND UNDERGRADUATE RECORDS UNIT

### CHANGE OF PROGRAMME ON CAPS

This is to notify the candidates whose details are indicated hereunder that their provisional admission could not be proposed on JAMB CAPS because they are yet to change to the various programmes to which they were offered provisional admission by the university. The implication of this is that the concerned candidates' provisional admissions are not acceptable to them. Otherwise, the concerned candidates are requested in their own interest to visit the nearest JAMB accredited CBT centre to change their programmes to the programmes that were offered by the university on or before Friday, June 16, 2023 so that their admission can be processed further on JAMB CAPS for the purposes of accepting the provisional admission as well as printing of their admission letters.

Failure to comply with the directive may lead to forfeiture of the provisional admission offered by the university.
